Mr. John K. Owens, of Williamson, suffered a terrible accident at Pelzer last Thursday morning. He was employed by the Pelzer Oil Company, and at the time of the accident was at work on the roof of the oil mill with a force of carpenters putting in some skylights. The electric wires running from the power house, two miles below Pelzer, to the new cotton mill, happened to run directly over the oil building and the hands at work on that building were compelled to use great care to avoid coming in contact with these electric wires, which were very heavily charged. It seemed that although Mr. Owens had been warned repeatedly of the danger at this point, he straightened up just enough for his head to come in contact with one of the live wires. The knocked him down instantly, and in falling his entire weight was caught by his throat against another wire, cutting and burning a terrible gash in his neck and almost severing his windpipe. Fortunately none of the large vessels nor nerves were injured, and his physicians hope that if he can sustain the terrible shock he may recover from the casualty.

Married in Abbeville.

The Abbeville correspondent of the Greenville News, under date of the 11th inst., gives the following account of the marriage of Capt. C. A. Milford and Miss White. The groom is an old Anderson County boy, and his many friends here will join us in extending him congratulations.

Last evening at 9 o'clock in the handsome First Presbyterian Church, Capt. Charles Arlington Milford and Miss Mary McHardy White were married by the Rev. Dr. J. Lowrie Wilson, assisted by the Rev. W. R. Earle, of the Baptist Church.

After the impressive ceremony a delightful reception was tendered by the bride's parents, Capt. and Mrs. L. W. White, at their hospitable home, and a very large number of invited guests were elegantly entertained.

The Church was gorgeously decorated and crowded to overflowing. The wedding march was superbly played on the large pipe organ by Mrs. James Cochran as the twelve handsome couples and the principals marched down the main aisle.

Mrs. Milford is one of the best women in the world and is extremely popular with everybody in our community.

Captain Milford is the handsome and gallant captain of the Abbeville Volunteers and one of our most popular and successful young business men. They have the best wishes of this entire community for a long life of much happiness and prosperity.
